Workshop 1

The Promise of DWI Courts: Changing Lives to Save Lives

Grand Gallery AB, Main Level, DeVos Place

This session will explore the reasons DWI Courts exist, review their guiding principles, discuss the policies and procedures that make for a well-designed program, and provide real-world examples of the impact of the DWI Courts on public safety. A graduate of the program will tell her story from her days as a DUI offender to her entry into Sobriety Court, through her transition to her new lifestyle as a healthy, sober, productive and safe-driving member of society.

Moderator:

Leanna Depue, Highway Safety Director, Missouri Department of Transportation

Speakers:

Honorable Patrick Bowler, Judge (ret.)
Grand Rapids Sobriety Court Graduate

10:45 a.m. – 12:15 p.m.

Workshop 2

Naturalistic Driving Study: Concept to Countermeasures

Grand Gallery CD, Main Level, DeVos Place

The Strategic Highway Research Program (SHRP2) has conducted the largest, most comprehensive naturalistic driving study ever undertaken, creating a massive database for future behavioral highway safety research and implementation of safety projects. The companion Roadway Information Database contains detailed roadway data. Results of both will be a definitive source of information on driver performance and behavior for decades to come as this project moves from concept to countermeasures.

Moderator:

Brent Jennings, Highway Safety Manager, Idaho Transportation Department

Speakers:

Neil Pedersen, Deputy Director, Implementation & Communication, Transportation Research Board, National Academy of Sciences

Robert Hull, Engineer for Traffic & Safety, Utah Department of Transportation

10:45 a.m. – 12:15 p.m.

Workshop 3

Effectively Using your LELs, JOLs and TSRPs

Grand Gallery EF, Main Level, DeVos Place

Learn how states can utilize their Law Enforcement Liaisons, Judicial Outreach Liaisons and Traffic Safety Resource Prosecutors to get the biggest bang for their buck.
