Speeding-related Data

Alaska reported speeding-related crash data is not collected, although the state does identify human factors on the motor vehicle crash report form. The state also collects speeding-related citation data. Alaska did not report whether the state statutes define aggressive driving.

Efforts to Reduce Excessive Speeding

Alaska currently has no active program that specifically addresses speeding. Future activities include implementing a Red Light Running media campaign.

Public Perception

Alaska's state highway safety office felt the motoring public believes police give a 5 mph cushion in enforcing the posted speed limit.
